

Easy Sleep Beds

Manufacturers of Quality Mattress & Divan Beds

AN EASY SLEEP MEANS A REFRESHING DAY

Easy Sleep Beds

As an established manufacturer of mattresses and divans, we have over a decade of bed constructing experience and we pride ourselves on our quality and service.

Our continued investment in new technology enables revolutionary designs of mattresses that give excellence in comfort and durability. This combined with our skilled craftsmen, who have grown with our business, enables us to be one of the best in the field of bed design and manufacture.

Our design team can even create a bespoke design to our customers personal needs.

Our collection includes :

Ottoman Base

Side opening

- Upholstered in luxurious damask fabric (available in Black, Cream and Brown colour)
- 800 Newton gas strut lift base
- Side opening hydraulic base
- All standard sizes available
- Solid sides, base and bottom, comes with chrome feet

Our Ottoman divan bases are ultra-modern, utilising the space from the whole of the divan base. They are designed to bring a soft and stylish look to your bedroom. This bed will look good in any bedroom while disguising itself as a regular divan base, this storage bed actually lifts up (with the assistance of hydraulic gas struts) to reveal an abundance of space which can be used to tidy away clothes, extra bedding and any clutter that may be taking up unnecessary space. The base lid can be easily lifted with the aid of two strong fabric handles, whilst your mattress stays securely in place on the top. Complete with chrome effect feet. Once lifted, this bed base has a solid bottom and uses the full base as storage.

Ottoman Base

Foot end opening

- Upholstered in luxurious damask fabric (available in Black, Cream and Brown colour)
- 800 Newton gas strut lift base
- Foot end opening hydraulic base
